I attended this conference and tried to get Fr. Vaillancourt to give me 15 minutes of talk time, he refused. Then I approached Fr. Collins and advised him that the current Vatican II Church was in a state of Apostasy and they cannot bring back Restoration. This prompted him to give his lecture on this fundamental truth. "The Restoration Will Not Come Through The Conciliar church." The Lesson here is, that the Church never needs to be restored, it's only that in the End Times it is reduced to the Remnant few and the AntiChrists take over the Holy See.
